

OpenDoors

Serving persecuted **Christians** worldwide

Today, six decades after Brother Andrew began smuggling Bibles, Open Doors is on the ground in over 60 countries, continuing to support Christians who are persecuted for their faith. We provide Bibles, discipleship training, emergency aid, vocational skills, trauma counseling, advocacy and other assistance so the churches in their communities can continue to advance the Gospel.

Open Doors considers it a privilege to provide aid to our persecuted brothers and sisters who minister in the world's most hostile regions. And we hope you'll join us in seeing this work as an area of ministry you can contribute to throughout the course of your life.

There are many ways Christians in the U.S. can make a difference in the lives of our persecuted brothers and sisters around the world. Here are some ways you can serve our persecuted family:
